

Academic Enhancement & Leadership Development Centre (ADeC)

We are finally in the last month of 2017 and time sure does flies by! We has a lot of exciting activities in November so do check them out below. We will see you next year for our next

Basic Course in Teaching and Learning *1-3 November & 6-7 November 2017*

Our last series of Basic Course in Teaching and Learning for 2017, held on 1-3 and 6-7 November 2017 at Wisma R&D, UM. The course, which has been designed to equip UM academicians with basic skills vital to teaching in higher education generally, and in UM specifically. Participants were exposed to basic aspects of teaching, including basic philosophy and pedagogy, scholarship of teaching and learning, as well UM-specific aspects of teaching in higher education. We take this opportunity to thank our participants, speakers and facilitators who have been working very hard through all four series of BCTL in 2017.

Redesigning Assessment for Holistic Learning Conference (RAHoLE 2017) 20 – 21 November 2017

ADeC, in collaboration with the Ministry of Higher Education (MOHE), organized a two-day conference on “Redesigning Assessment for Holistic Learning” attended by academicians around Malaysia. Some of the program listed under the event are Poster/Voster (Video poster) Competition, Keynote Address by Dr. Paula Hodgson of the Chinese University of Hong Kong, forums, as well as publication workshop where participants are grouped into five categories of assessment and came out with a draft to be featured in the MOHE guidebook of assessment. Our warmest gratitude to everyone who came in support for the conference.

Basic Course in Intellectual Property & Entrepreneurship (by UMCIC) 22-23 November 2017

For the second and final series of the year 2017, in collaboration with UM Centre of Innovation and Commercialization, a seminar on intellectual property and entrepreneurship was held at the Seminar Room, Research Management & Innovation Complex. For two days, Emerald participants were introduced to intellectual property policies and procedures, entrepreneurial pathway and commercialization strategies, as well as industry linkages strategies and networking.

Emerald Briefing 27 November 2017

On 27th of November, a briefing session for new Emerald participants was held in Interactive Learning Room, Wisma R&D UM. The Emerging Scholars Leadership Development (Emerald) program, has been designed to provide new UM lecturers with skills and networks to begin an academic career in UM and has been offered to new lecturers since August 2014. ADeC recently developed a new, more relevant structure for the Emerald program. *Basic Emerald Programme* is a modular programme made up of a number of workshops and attachments - Basic Course in Teaching & Learning (formerly known as Training Program for New Lecturers, TPNL), Basic Course in Supervision, Basic Course in Intellectual Property (IP) & Entrepreneurship, and attachments and workshops relating to UM curriculum, UM work processes and quality assurance, as well as UM research management (Attachment will be in QMEC, CDC, PPP and PPGP).

Good luck in your journey as UM Academia!

ISI Writing Bootcamp 1 - 2 November 2017 28 - 30 November 2017

ADeC featured its first ISI writing bootcamp for academics. The first 2 series (**1st & 2nd November 2017** and **28th to 30th November 2017**) concluded with academics sharing their targeted writing accomplishment at the beginning of the session and at the end of the session, rounded up their achievement. The ISI writing bootcamp provided space and time for academics to write their ISI papers in a collegial supported environment, allowing them to focus and seek help and second opinions from their peers. The final series are scheduled on 19th to 22nd December 2017.
