

Smart decisions. Lasting value.

Fun, friends, and your future.

We understand that life isn't just all about work and no play. It's a unique blend of the two.

You don't have to take fun out of the equation – in fact, we encourage our people to enjoy and build life-long friendships with each other. You can say we're like family here. But your career and future is of utmost importance to us too.

Our mantra of “caring, sharing, investing and growing” means that we take every opportunity to unearth your true potential, ranging from technical training to opportunities for assignments abroad. You'll even have hands-on experience in IPO exercises – one of the many offerings which we consistently rank highly for.

So if you want a career that blends both work and play, talk to us. We are Crowe Malaysia PLT, the fifth largest accounting firm in Malaysia, with more than 1000 employees throughout 13 offices nationwide.
