Let's make a difference.

Start something big today. Join our:

INTERNSHIP PROGRAM

Robert Bosch Sdn Bhd – No 8A Jalan 13/6, 46200, Petaling Jaya, Malaysia

Bosch Malaysia has a well-developed internship program and we have hired thousands of students over the past few years. Our goal is to provide real world and thought-provoking internships to undergraduate and graduate-level students. Historically, most of our outstanding internship candidates go on to accept full-time opportunities after graduation. Internship is a great way to learn about Bosch's business and culture besides gaining experience and self-development. Bosch's internship offer students a chance to get a real-world experience with ownership in projects from day one and the opportunity to develop a network of contacts. The managers in Bosch do enjoy it when the candidates take the initiative to develop programs that meet their particular interests and expectations.

Your contribution to something big:

Our available internship program positions are within these departments:
