UNILEVER FUTURE LEADERS
PROGRAMME (UFLP)**

#UNILEVERMY
#UNIQUELYUNILEVER

Key Features of UFLP

- Attract top-tier graduates who aspire to succeed in world-class careers.
- Select graduates who have the knowledge, skills, ability and attitude to become Unilever's future leaders, achieving and performing in a managerial role within 3 years.
- Accelerate the development of this top talent through early international exposure, job rotations and structured ongoing education.
- Hands-on experience in business challenges.
- Work with experts across multiple disciplines.
- Duration: 3-year programme.
- Location: Malaysia - more than 50 countries recruit for UFLP.

What do we look for?

- People skills are essential. We look for people with ambition, an interest in business and the courage to offer creative insights and execute change.
- Individuals who can build relationships and have a talent in influencing and negotiation go a long way.
- Fresh graduates or a maximum of 3-years working experience.
- Bachelor's Degree in any fields of study.
- Malaysian nationality.
- Willing to travel - geographic mobility.
