Location: 3rd Floor Sentul Works, No. 11, Jalan Strachan Off Jalan Sultan Azlan Shah, 51100 Kuala Lumpur

Company Website: <https://english.cscec.com/>

China State Construction & Engineering Malaysia Sdn Bhd is a subsidiary of China State Construction Engineering Corporation (CSCEC) in Malaysia, and present as fully response and the only authority for CSCEC within Malaysia. The CSCEC was founded in 1957 as a state company. Early on the country had an international profile building heavy industry and infrastructure in Asia, Africa and the Middle East. The predecessor company opened its first overseas office in Kuwait in the late 1970s. The company broke from its regionally confined work pattern when it entered the U.S. market in 1985, opening an office in Atlanta.

Student Requirements:

Final-year students or those undergoing industrial training in related fields

Civil/Electrical/Mechanical Engineering and Quantity Surveyor

Thank you and we wish you all the best!

Interested candidates may submit a resume, cover letter, and academic transcripts via email to joyce.cscec@gmail.com or contact no **014 6946088 (Joyce Chia)**
